

That's Life

G Em A7 D x2

That's life (that's life), that's what all the people say

You're ridin' high in April, shot down in May

But I know I'm gonna change that tune

When I'm back on top, back on top in June

I said that's life (that's life), and as funny as it may seem

Some people get their kicks stompin' on a dream

But I don't let it, let it get me down

'cause this fine old world, it keeps spinnin' around

I've been a puppet, a pauper, a pirate, a poet, a pawn and a king

I've been up and down and over and out and I know one thing

Each time I find myself flat on my face

I pick myself up and get back in the race

That's life (that's life), I tell you I can't deny it

I thought of quitting, baby, but my heart just ain't gonna buy it

And if I didn't think it was worth one single try

I'd jump right on a big bird and then I'd fly

I've been a puppet, a pauper, a pirate, a poet, a pawn and a king

I've been up and down and over and out and I know one thing

Each time I find myself flat on my face

I pick myself up and get back in the race

That's life (that's life), that's life and I can't deny it

Many times I thought of cuttin' out but my heart won't buy it

But if there's nothin' shakin' come this here July

I'm gonna roll myself up in a big ball a-and die

You May Be Right - Billy Joel

[Verse-1]

A
friday night i crashed your party,
saturday i said i'm sorry
E
sunday came and trashed me out again.
Bm
i was only having fun,
G
wasn't hurting anyone
E
and we all enjoyed the
A
weekend for a change.

i've been stranded in the combat zone,
i walked through bedford sty alone
even rode my motorcycle in the rain.
and you told me not to drive,
but i made it home alive
so you said that only proves that i'm insane.

[Chorus-1]

[Chorus-1]

E
you may be right,
A
i may be crazy
E D
but it just may be a lunatic
F#m A
you're looking for
E
turn out the lights,
A
don't try to save me
D E
you may be wrong for all i know,
A
but you may be right.

[Chorus-2]

you may be right,
i may be crazy
but it just may be a lunatic
you're looking for
its too late to fight
its too late to change me
you may be wrong for all i know,
but you may be right.

[Verse-2]

remember how i found you there,
alone in your electric chair
i told you dirty jokes until you smiled.
you were lonely for a man,
i said take me as i am
cause you might enjoy
some madness for a while.

now think of all the years you tried
to find some one to satisfy you
i might be as crazy as you say.
if i'm crazy then it's true,
that it's all because of you
and you wouldn't want me any other way.

[Chorus-2]

[Solo]

[Chorus-1]

[Outro]

A

you may be wrong, but you may be right
